**Comments on Question 4 - "What kinds of business development do you favor most in Rehoboth?"**

Pot Shop for Tax Revenue

Compressor Station natural gas infrastructure

Any future forward thinking business that brings in tax revenue

Pet Care

Adding solar and wind to town owned property for revenue

should create central village area and attract small business, retail, restaurant with charm in keeping with Rehoboth atmosphere

Auto repair

Outdoor recreation (trails (walking & hiking), fishing, boating, golf)

It's 2019, please let our town reflect that. It's like it's stuck in the 70's.

none

I would favor a small industrial park off the beaten path.

Lack of diverse foods/takeout, bakery, Starbucks

Fish market

**NO MAJOR RETAIL**

Bringing in large businesses can be tastefully done through planning while keeping a rural character.

**Comments on Question 6 - "In terms of positive results of business growth, what do you see as the most important benefit? - Boosting our property tax base"**

Assess a usage tax, if you have a 2500 > sqft house you pay X% more since you will be using more, they have done this in Virginia around Washington DC. McMansion Tax, gated community folks should pay their share.

dual tax rate

Self employment

I don't want to pay more taxes!!!

Making Rehoboth more balanced in jobs being close to dwellings

No benefit

I see no benefit vs wanting to maintain ruralness

Business opportunities

We don't need government and/or taxes!

Lowering ha ha

No importance

I do not support business growth

maintaining one tax rate for business and private

Business and commercial property

Maintaining Rural and Agricultural

allow home businesses like in the past

Not only property tax in town

Lower home taxes

Education

**Comments on Question 6 - "In terms of positive results of business growth, what do you see as the most important benefit? - Providing additional local good and services"**

Small businesses will create the jobs; quit crucifying the small business applicants

No benefits

I see no benefit vs wanting to maintain ruralness

No importance

I do not support business growth

we are a farming/bedroom community. I like it that way

**Comments on Question 6 - "In terms of positive results of business growth, what do you see as the most important benefit? - Job Creation"**

Ex: bookstore, local coffee shop with "ambiance"

Maintaining ties between residents and local businesses

Driving less miles to get basics would save time, energy, fuel, etc. and provide taxes (on buildings) and jobs (service providers)

No benefits

I see no benefit vs wanting to maintain ruralness

Enhance our rural environment

Anything!

I can shop in Attleboro for what I want in "goods and services"

No importance

I do not support business growth

do not install public water/sewer

None

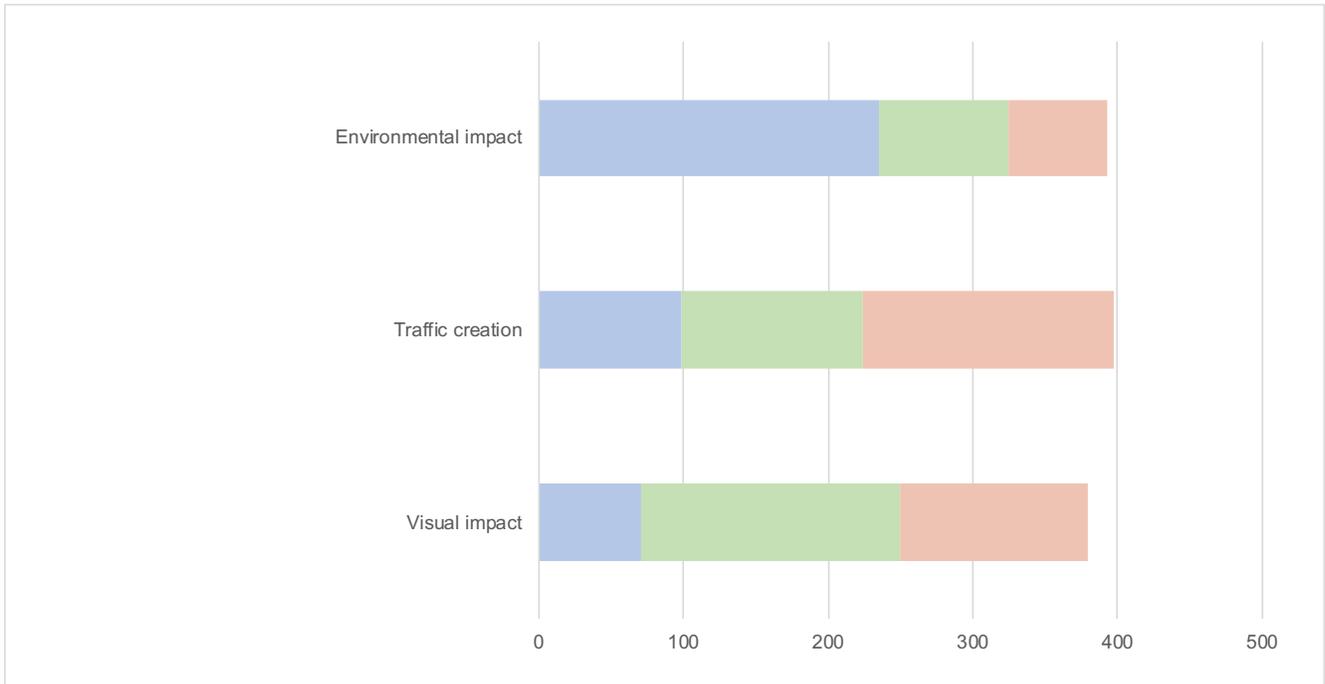

Opportunity to do business locally.

**Comments on Question 7 - "In terms of negative results of business growth, which of the following is most concerning to you?"**

Economic effect - use of town resources - police, fire, etc.

I am very concerned with the addition of harsh, blinding lighting from businesses, streetlights, and homes. I find this lighting too bright, causing hazardous visual driving conditions, and an ugly, industrial atmosphere which is detrimental to the country character of Rehoboth.

None of these are very important if existing laws are followed

Just look at Seekonk to recognize the negative results of bus. growth

NO MORE DEVELOPMENTS and no businesses, negates ruralness

Diminishing open space

Bring it on

ALL THREE!!

Don't think we need any more gas stations, car/junk business. No more housing.

As long as it is planned and zoned I see no problem to visual/traffic or environment

It

None. Business equal lower taxes for home owners

Stop lining the builders pockets...we are big enough!

None

Crime, litter
